Malcolm McGeary
Legislative Assistant
Senator Ron Wyden
221 Dirksen Senate Office Building
Washington, DC 20002

Dear Malcolm,

The Campion Advoçacy Fund appreciates the interest your office has shown in the Arctic National Wildlife Refuge. The 19.6 million-acre Arctic National Wildlife Refuge is an exceptional and unique example of an intact arctic ecosystem, and it is one of the wildest places on earth—providing critical habitat to polar bears, caribou, musk ox, and hundreds of species of migratory birds.

In January 2015 the US Fish & Wildlife Service announced its revised Comprehensive Conservation Plan (CCP) for the Arctic National Wildlife Refuge. The CCP made important recommendations, including one for a Wilderness designation of the crucial Coastal Plain area, as well as four others for additional Wild and Scenic Rivers in the Refuge. However, legislation was passed in 2017 that instead opens the Coastal Plan of the Arctic National Wildlife Refuge to oil and gas development. The Department of Interior is currently advancing the permitting process with hopes of offering the first lease sale in the Arctic Refuge in 2019.

We believe a fact-finding trip to the Arctic National Wildlife Refuge would provide you a valuable opportunity to see and experience first-hand these remote arctic systems, learn more about federal land management in Alaska, as well as to meet local business owners, Alaska Native leaders and conservation groups working to protect the Arctic National Wildlife Refuge.

We would like to invite you to join us for a three-day trip to the Arctic Refuge in late June and early July. Attached is a detailed itinerary that includes opportunities to experience some of the wildest and remote country in the United States and learn more about the natural systems, history, and land use policy of the Arctic National Wildlife Refuge.

Please let me know if I can be helpful in answering any questions about the proposed trip, and I hope you will be able to join this trip to the Arctic Refuge. Thank you for your consideration.

Sincerely,

John Daly
Public Lands Program Director
